<p>Remarks: Attached is a recommendation for an Honor Award for [redacted] This Award is recommended for [redacted] because he continually performs in a manner far in excess of that required of his position. Since he is in the GP series, we cannot give him a within-grade promotion as recognition for his outstanding service. It is therefore believed that an Honor Award is the best way to do this. Mr. [redacted] is an invaluable employee and fully deserves the Award.</p> <p>1-3 Please also see note beneath. Still believe that this is a valid proposal & recommendation.</p>
